

## The Future Within

Smoothing the way for women  
who have lost a spouse  
to chart a new course.

**Blessings!** Welcome to Fresh\*Breezes, my first online ezine (electronic news). I am honored to have you aboard! Yesterday I flew back to Denver after a valued respite with my family -- just in time to send you the very first issue of Fresh\*Breezes--in honor of the *grand opening of my website: The Future Within, LLC*. The occasion of my trip? The baptism of my adopted, littlest grandchild, Samuel, from Guatemala. Samuel is 11 months and right after receiving the sacrament, he burst into clapping with a big smile! This broke up the congregation. They were all laughing and applauding! Blessings...

### Am I a Whole Person?

Do you find yourself wondering who you are now? We share so much of ourselves and also absorb much from a committed relationship. You may ask yourself what made up the earlier you--before the union, the "enhanced" you as part of the couple, and the person you feel yourself to be right now. These three "people" may vary widely. Recognizing who we now are is the first step to moving forward with confidence. We will explore this topic further in my next Fresh\*Breezes, to be published in May, **Have You Forgotten Your Dreams?**
